

Meet the HVPOA Board 2023

Robin Peterson- Henderson Court- President

Robin has served on the HVPOA Board numerous times during her 30 years in the community, most recently as President. Robin believes that creating community and ties among neighbors adds to her quality of life and served a vital role in keeping her and her fellow neighbors sane during the COVID lockdown. Street gatherings were the social lifeline for those on H. Court.

Robin has worked to professionalize the board, hire a new Management company (Homeside Properties), create stronger ties between HVPOA and the sub-associations, increase Board membership and has spearheaded the leasing amendment for vote this year. "It is an exciting time to live in Alpharetta and my goal is to offer leadership to Henderson Village, so we remain and become an even greater place to live, walk, play & socialize"

Julius Bobbert- Millstone Court -Treasurer

Julius has lived on Millstone Drive for 13 years and walks regularly thru our Village. He has held the position of treasurer for 2 years and has a long and extensive background in accounting with both small and Fortune 500 companies. He enjoys travel, visiting South Africa and his efforts on the HVPOA Board.

Hasan Rizvi- Henderson Court

Hasan is one the Association's newer residents who moved to Henderson Court during the fall of 2021. As a South Floridian transplant, he hopes to be a supportive member of the Association and community. Being a part of a community is a privilege and a responsibility, and Hasan believes integrity and respect will be the catalysts to a healthy Village. If you find Hasan strolling, running, or riding his bike up and down the Parkway, give him a shout. He only bites on Tuesday's. "Service is the rent we pay for the blessings we've received"

Mayan Goldstein- South Somerset Lane

Mayan has been a resident of Henderson Village for 5 yrs and the mom of 2 young children, a newborn and a 2.5 yr old. Mayan previously worked in the field of education counseling and as a coach for parents and families to help them navigate the education system and life in general. Mayan is interested in serving on the Board and is a big believer in paying it forward. She looks forward to increasing her connections in the community and making a contribution.

Diane Dillow- Henderson Court

Diane has lived on Henderson court for 6 1/2 years. Originally from Maryland, she moved to Georgia 12 years ago. She has 4 grown children, 6 grandchildren, 1 great grandbaby and a French bulldog puppy. She loves to read and travel. As an avid walker, Diane loves to power walk through our "beautiful neighborhood". She looks forward to meeting new neighbors and offering her ideas to help Henderson Village to continue to be a great place to live.

Evelyn Petersen- Millstone Drive

Evelyn has lived on Millstone Drive for 23 years. She likes the subdivision for its diverse population and that people work to take care of their homes which increases property values. Evelyn has moved about 15 times and has lived in 10 states and 2 countries, so she has a good idea on how different subdivisions operate. Splitting her time between Florida and Georgia she none the less looks forward to serving on the board and to giving back to her community.

Tracie Harris- Henderson Place Condos- Landscape Chair

Tracie has lived in the Village for 26 years and will assume the role of Committee Chair for the Landscape committee. She has held this role for Henderson Place Condos since 2020. Both the Condos and the HVPOA use Proland Landscape company so we expect an easy transition onto the HVPOA maintained areas as her playground gets a bit larger. Tracie also handles the seasonal decorations as well as organizes social events & pool parties for the condos.

Tracie has a background in the hospitality industry, has owned her own restaurant, was a flight attendant for US Airways, has worked with Hosea Feed The Hungry and was able to attend mission trips to Haiti. "It was The most rewarding job I could ever do" Currently she works with her husband on his broadband planning and construction/utility businesses. She enjoys meeting people and having good times! We are very lucky to have Tracie step up into one of the largest roles on behalf of the HVPOA.
